

Avoncroft Pre-School Nursery

January 2025 – Chinese Year of the Snake

We would like to give a special welcome to all our new children (Lily).

It was lovely meeting the new children and their families on Friday 3rd January for the stay and play session.

Drop Off Time

We will be continuing with last year's routine at drop off time. Parents will not be allowed into the building, so the children will be dropped off at the door. There will be a member of staff on the door and in the cloakroom to welcome them and to help sort their belongings.

Updates

Please can you let us know if you have changed any of your child's details i.e. new address or emergency contact numbers.

Please can you let us know if someone else is picking up your child. We will not let your child leave the premise with someone unless you have instructed us to do so. They will also need to know the child's DoB or password.

Term Dates

Spring Term 2025 (13 Week Term)

Monday 6th January

Term Starts

Monday 17th – Friday 21st February (inclusive)

Half-term

Friday 11th April

End of Spring Term

Invoices

Following parent feedback last year, we will be sending out the invoices prior to the start of term. This will allow you to set up payment schedules, review your bill, set up voucher schemes etc. This year you can pay online or by childcare vouchers. Please let us know how you will be paying. The invoices show the total fees for the term and how much to pay every month. Payment information will be sent out with the invoice.

Avoncroft Pre-School Nursery

Autumn Term

EYPP – Early Years Pupil Premium

Last term we put money towards Pyjama Drama coming on Tuesday mornings. The sessions encouraged the children to pretend, play and explore real and imaginary worlds by harnessing the power of their imagination. Through games, singing, dancing and imaginative adventures the children developed key skills such as; communication, co-operation, concentration, confidence and imagination. We also brought in Animal Mania to visit nursery. The children got the meet, hold and stroke different types of animals. They learnt new vocabulary, information about where the animals live and how to care for the different animals. We upgraded our Hudl at nursery to improve communication between the setting and parents using Tapestry. We bought resources to upgrade our outside facilities such as crates and balance logs. These will allow the children to take risks in their play, develop their concentration skills, gross motor skills, understand their own body limits, develop their own body awareness and improve their self-esteem when they achieve their goal of crossing the logs or crates.

What The Children Learnt

During the first half term the children have been exploring autumn, healthy foods and emotions. To teach healthy foods we followed the children's interests of finding caterpillars in the garden and related it to the story of 'The Hungry Caterpillar'. To teach the children autumn the children have been exploring the natural environment outside and the autumn investigation stations. To teach the children about emotions, we have been labelling the children's emotions and they have explored different emotions through 'The Colour Monster' story. To teach the children about Halloween, the children helped decorate nursery, read a range of spooky books, carved pumpkins, made a hedgehog pumpkin and explored various potion stations throughout the week. To teach the children about Diwali, they listened to the story 'Peppa's Diwali', made Clay Diva's, Rangoli floor pattern, lanterns and painted fireworks outside.

We also had a visit from Animal Mania this term where the children got the chance to hold or stroke each of the animals. The children really enjoyed meeting Jack an African Bull Frog which is the biggest type of frog in the world, Stewart the Chinchilla, a Tortoise called Michelle, two Corn Snakes called Arnold and Dave, a giant Rabbit called Gary who was only 10 months old, a Skinny Pig called Brodwick and a Bearded Dragon called Simon.

During this second half term the children have been exploring different cultures and festivals. The children have explored Bonfire Night and Christmas! To teach the children about Bonfire Night, the children made their own firework pictures, took part in a giant splatter painting activity and made a giant bonfire outside

Avoncroft Pre-School Nursery

where they learnt about fire safety. To teach the children about Christmas, the children helped decorate nursery, read a range of books, looked at the Nativity, made Christmas crafts to take home, took part in the concert as the character / part of their choice, explored various investigation stations throughout the week and enjoyed the end of term party.

We continued the children's learning about emotions, healthy foods and autumn. We introduced the topic of Winter. To teach the children Winter the children have been exploring the natural environment outside and the Winter investigation stations.

We have introduced 2 songs of the week across the term. This has supported the children's language development in a fun way. We will be continuing this throughout the year.

Spring Term

EYPP – Early Years Pupil Premium

This term we will be putting the money towards Pyjama Drama coming on Tuesday mornings. The sessions will encourage the children to pretend, play and explore real and imaginary worlds by harnessing the power of their imagination. Through games, singing, dancing and imaginative adventures the children develop key skills such as; communication, co-operation, concentration, confidence and imagination. We will be putting the money towards Yoga/ Pilates coming on Thursday afternoon. The sessions will build confidence and self-esteem, because children learn from playing and experimenting. It allows children to scaffold their physical and mental development stage by stage. It strengthens the children bodies improving their core body strength. As they progress in their physical and mental development yoga helps the children grow in confidence and self-esteem. We will be creating a giant bug house outside with the children. By creating a giant bug house, the children will get to learn about different insects and the essential role they play in creating a healthy eco-system. It will also give a chance to the children to deepen their connection with nature.

Planning

During the Spring Term we will be focusing on different cultures/ festivals, oral health, occupations and our body/ physical activity. The first 2 weeks we will be focussing on transition, helping the new children to settle into nursery, building relationships and strong links. We will also be introducing 2 songs, letter sound and book of the week across the term. This will support the children's language development in a fun way.

	Letter of the Week	Book of the Week
Week 1	s	Gruffalo Child
Week 2	a	Dear Zoo
Week 3	t	Tiger Who Came To Tea
Week 4	i	The Dinosaur Who Pooped

Avoncroft Pre-School Nursery

Week 5	p	Were Going On A Bear Hunt
Week 6	n	Super Worm
Half Term		
Week 7	c/k	Squash And A Squeeze
Week 8	e	Brown Bear, Brown Bear
Week 9	h	Mad About Dinosaurs
Week 10	r	Room On A Broom
Week 11	m	The Snail and the Whale

At home to support your child's language development, you can read the books at home as well. Explore the characters with the children i.e. "what they look like?", encourage them to retell the story on their own or join in with the repeated refrains. This will support the children's love of books. If you would like to borrow one of the books of the week please ask on the door.

At nursery we love stories and exploring them with the children. We have set up a book swap in the porch at nursery. This will give the children the opportunity to share books they love with their friends and try new ones. Reading stories with children is very important. They help develop listening and communication skills, improve concentration, memory, help sequence events, key literacy skills, early language development and bring experiences alive by creating a sense of wonder!

Why Oral Health?

Keeping your children's teeth healthy will help them to maintain clean and healthy teeth and gums and develop good oral hygiene habits they will need throughout the rest of their lives. We will be supporting this by teaching children this term about healthy foods, show the children how to brush their teeth using a giant model/ toothbrush and in January a dentist will visit nursery to talk to the children as well.

Why Cultures/Festivals?

All children are individuals. They come with a range of past experiences based on their own personal experiences. Cultural background gives the children a sense of who they are. Teaching children in Early Years different cultures allows them to explore similarities and differences to others and how to value everyone/ be respectful of others in the community.

Why Occupations?

In Early Childhood it is important for children to make connections with their local environment as they can last a lifetime. In the Early Years we build connections and values in children that they can take throughout

Avoncroft Pre-School Nursery

their lives and become community- minded and responsible adults. It is important for the children to understand the people in the community who support us and how to get help in case of an emergency.

Why Our Body/ Physical Activity?

In Early Years teaching children about their body/ physical activity is important as it allows the children to develop confidence and an appreciation for their bodies. Learning about the body is also super important because it helps them to identify what their needs are. It also provides children with the vocabulary they need to communicate these needs. Physical activities support this by developing the children cognitive skills creating healthy brain development from an early age.

A copy of our nursery long term planning can be found on the website. This shows roughly what the children will be learning over the year across the 7 areas of the EYFS. This is only a rough plan as it may be adapted to allow for the children's interests to flow through the progression.

Home Link

The children are welcome to bring a toy from home for show and tell. **If you do not want to bring the toy in, you could also send a photo on Tapestry! Rising Stars children are to bring their homework/ letter sound books on Tuesday's and Thursday's so they can explore these with their keyworker.**

Home Learning - Occupations

To help support the children's knowledge of occupations, you can:

- Label different occupations.
- Talk about what people do in different occupations.
- Take the children to community events to meet people who help us.

Home Learning – Oral Health

To help support the children's knowledge of oral health you can:

- Talk about healthy foods.
- Talk about how to brush your teeth.
- Make oral health fun by counting or using songs.

Avoncroft Pre-School Nursery

Below are links to apps and songs which can support you and your children with toothbrushing:

<https://www.brushdj.com/> An app to make toothbrushing fun!

<https://www.e-lfh.org.uk/townscape-oral-health/> Learn about oral health and how you can support children and families

<https://youtu.be/u3vdGjj89k8> Hey Duggee toothbrushing song (CBeebies)

Worcestershire Oral Health have a Facebook page and a Twitter account and post on both regularly with tips and news: <https://www.facebook.com/HWHCTSmileSquad/>

Home Learning – Our Body

To help support the children's knowledge their body you can:

- Name the parts of the body.
- Play eye spy with body parts i.e "I spy something you use to smell something".
- During physical activities talk about how you are feeling/ what you need i.e. "i'm tired, I need to rest" or "i'm thirsty I need a drink".

Home Learning – Cultural Events

To help support the children's knowledge of different cultures and festivals you can:

- Dress in cultural clothes.
- Join in with local celebrations.
- Listen to cultural songs or nursery rhymes.

Chinese New Year:

- Food tasting activity.
- Watch 'Peppa Pig' festival episodes: <https://www.youtube.com/watch?v=JfrJozXXs4c>
- Watch Chinese dragon dance: <https://www.youtube.com/watch?v=Bs0GuU0cUtw> (starts at 3.08)

Holi: <https://www.youtube.com/watch?v=V3Ew2ctrWmc>

Easter: <https://www.youtube.com/watch?v=zs8jyWcnCPc> (4.2 mins)

World Book Day: <https://www.youtube.com/watch?v=PBcl2ej0zig>

St David's Day: <https://www.youtube.com/watch?v=Ilzxz2BAmsU>

St Patricks Day: <https://www.youtube.com/watch?v=C3PKRxke0sc>

Avoncroft Pre-School Nursery

Home Learning – Letter Sounds

To support the children's learning of letter sounds you could:

- Go on a letter sound treasure hunt in the house/ garden and see how many objects they can find.
- Go on a walk and see how many things they can find of that letter sound.
- Play letter sound 'eye spy' i.e. "I spy with my little eye something beginning with a". Make sure you are saying the phonics sound not the letter itself.

Tapestry

Every child has a Tapestry account. For all the new children, these will be created before the 2nd September once we have met all the new starters at the stay and plays and all the registration forms have been returned. The parents will then receive an email on how to activate their account. **If you have not received this email, please let us know asap! Please note if we have not received the registration forms we cannot email you an activation code.**

Tapestry is our online learning journal that allows us to send the parents observations of what they have done at nursery home, and also for you to send photos from home. Last term we were blown away by the number of photos and achievements sent to us via Tapestry. We would love to continue this. If you go to a special event, any home learning activities, days out and WOW moments, next steps or even if the children want to show us something from home, please do not hesitate to send it via Tapestry. The children enjoy showing these photos during show and tell. How to upload photos or videos to Tapestry:

<https://www.youtube.com/watch?v=espJ96TJHV8>. You will receive at least 1 observation a week unless your child is off sick or on holiday. When you receive an observation it will say the areas of development it links too such as: physical development etc.

Wow Board

At nursery we have a 'WOW' board. It contains stars with achievements the children have met at nursery. The children themselves with their keyworker add their own stars to the board. The board also contains photos of achievements from outside nursery. When your child achieves something i.e. a certificate for dance, using the toilet for the first time, learning a new song etc, please can you send us a photo on Tapestry or email so the children can add it to the board. A 'WOW' board is important as it shows the strong links between parent and nursery. It helps the children become more positive, helps them grow in confidence, feel valued and raises their self-esteem.

Avoncroft Pre-School Nursery

E-Safety

As a setting we teach children about internet safety by making them aware of what safe use of technology looks like. We choose educational apps that help them to develop their skills. We have an e-safety policy which we follow at nursery. Below are a few links and videos on online safety and how you can support / protect them at home.

Operation Encompass

We are pleased to say that we are an Operation Encompass nursery. Operation Encompass is a national scheme that operates jointly between Early Years Settings, schools and Police forces. It means that as a nursery we will be notified when a child has experienced domestic abuse (seeing or hearing), prior to them arriving at nursery. All staff members have been trained but the designated key adult is Heather (Designated Safeguarding Lead), with back up of Natasha (Deputy Safeguarding Lead) when Heather is not available. We believe being a part of this scheme as a nursery will provide the best support to all our children and will be extremely beneficial for all those involved.

Early Help

At Avoncroft Pre-School Nursery we recognise the challenges that families face in bringing up children. There may be times when you need extra help and support.

Early help is a way of getting extra support when you or your family needs it, but getting it as soon as the difficulties start, rather than waiting until things get worse. Help can come from all kinds of services and organisations who work together to support your family. You might be using some of these services already, but we want to make sure they are providing the right support for you and your family's needs.

It could be that you're worried about your child's health, development or behaviour, or perhaps because you are caring for a disabled child. Maybe your child is affected by domestic abuse, drugs or alcohol.

Avoncroft Pre-School Nursery

Maybe you have had a bereavement in the family or someone close to your child is ill, or there has been a disruption to your family life and you are worried about the effect on them.

It could be that you yourself find times difficult and need advice with housing, debt, relationships or mental health issues.

If this is the case, please come talk to us. There are many ways our nursery can help and support you and your family.
