10.11 Working in partnership with other agencies

Policy statement

We work in partnership with local and national agencies to promote the well-being of all children. **We will never share your data with any organisation to use for their own purposes.**

Procedures

- We work in partnership or in tandem with, local and national agencies to promote the well-being of children.
- Procedures are in place for sharing of information about children and families with other agencies. These are set out in the **Privacy Notice**, Information Sharing protocol, Safeguarding Children **and Child Protection Policy** and the Supporting Children with Special Educational Needs Policy.
- Information shared by other agencies with us is regarded as third-party information. This is also kept in confidence and not shared without consent from that agency.
- When working in partnership with staff from other agencies, we make those individuals welcome in the setting and their professional roles are respected.
- We follow the protocols for working with agencies, for example on child protection.
- Staff from other agencies do not have unsupervised access to the child they are visiting in the setting and do not have access to any other child(ren) during their visit.
- Our staff do not casually share information or seek informal advice about any named child/family.
- When necessary we consult with local and national agencies who offer a wealth of advice and information that help us develop understanding of issues facing us and who can provide support and information for parents. For example, ethnic/cultural organisations, drug/alcohol agencies, welfare rights advisors or organisations promoting childcare and education, or adult education.
